

Call For Nominations of Oilfield Pioneers For the 2020 Hall of Fame

Help us honor those who made
our industry what it is today.

OILFIELD PIONEERS (Offshore or Onshore) 2020

The Oilfield Pioneers
are inducted into the
Oilfield Energy Center's
Hall of Fame at the
annual *Ocean Star Gala*.

The Oilfield Energy Center

is currently calling for nominations of Industry Pioneers, Industry Champions, and Pioneering Technologies for induction into the Hall of Fame. For 2020, the committee would like to place an emphasis on receiving nominations for the individuals who formed some of the foundations for the oilfield industry's technology and/or were corporate leaders, preferably before 1995 including overseas developments and HSE.

Industry Pioneer Awards

recognizes important achievements of individuals who are recognized leaders in the oilfield energy industry.

Industry Champion Awards

recognizes individuals that have uniquely distinguished themselves through their individual and significant contributions to the oilfield oil & gas developments.

Pioneering Technology Awards

recognizes important oilfield technologies by individuals, companies, organizations or institutions.

**Nominations Close
