

MOLU Request Form

The MOLU is an engaging traveling exhibit from the Offshore Energy Center which features 6 self-contained learning centers with curriculum-based, hands on activities about energy and the technologies and sciences involved in the oil and gas industry. The MOLU is geared to 5th grade students with curriculum correlated to the TEKS. However, other grade levels can be accommodated.

Teachers will need to accomplish the following prior to the visit:

- Administer pre-test
- Have students view 2 complimentary DVDs: OEC's *The Offshore Story* and API's *Fuel-less*
- Have students complete a Career Interest Profile form

Following the visit, teachers are asked to:

- Review and correct answers in the MOLU Pass booklet with students
- Administer post-test
- Score pre/post-tests and mail to OEC
- Complete online teacher evaluation form
- Optional: Play "MOLU game" with students

A pre-visit package containing all necessary materials will be sent to the school prior to the MOLU visit.

Due to the expense involved in transporting the MOLU, visits outside the Greater Houston area cannot be accommodated at this time unless all expenses are covered by the requesting party. Please call for a quote.

General MOLU Information

- \$950.00 per day plus mileage charge of \$1.00 per mile from MOLU storage unit to school or location (each way)
- Four 90 minute sessions can be completed in one school day
- Maximum of 48 students can rotate through the MOLU in one session.
